

Medical Assistance and COVID-19

Pennsylvania's Medical Assistance (MA) program will cover COVID-19 testing and related services.

- COVID-19 testing is free of charge when a doctor determines it is needed.
- There are no co-payments for COVID-19 related tests.

To Apply for Medical Assistance:

- Visit <https://www.compass.state.pa.us/>
-or-
- Call BenePhilly at 844-848-4376
-or-
- Contact your local County Assistance Office

If you need MA right away because you think you may have COVID-19, be sure to say so on the application.

For information about COVID-19 testing resources, contact Philadelphia Department of Public Health Helpline at 1-800-722-7112.
