Convictions Impacting Sealing of PA Convictions

This list of offenses is relevant to the Clean Slate Act in three ways.

- (1) First degree misdemeanor convictions of the following offenses may not be sealed (except for terroristic threats after Act 36 of 2023).
- (2) Felony convictions of these offenses disqualify otherwise eligible convictions from being sealed for 10-15 years (or permanently for an F1).
- (3) M2, M3 or ungraded M convictions listed here will not be automatically sealed but must be sealed by petition. Summaries can always be autosealed.

"Tiered sexual offenses" are those listed under 42 Pa. C.S.A. §9799.14. Offenses requiring "registration" are listed by 42. Pa. C.S.A. §9799.55.

Misdemeanor convictions not listed in this chart ordinarily will be eligible for sealing after 7 conviction-free years and are not disqualifying.

For a summary of the sealing rules which this chart supplements, see the "Clean Slate Summary" chart available at MyCleanSlatePA.com.
